

Masterton District Council
Urban Ward
Electing 4 Councillors

Doug BRACEWELL

I'm married with two children and five grandchildren, resident of Masterton for 34 years.

Initially employed by Masterton District Council in the Parks and Reserves Dept. Then Manager of the Masterton Recreation Centre for 5 years. I am currently employed by Sport Wellington/Wairarapa as a Sport Development Advisor.

I have been heavily involved in community services both as an employee, sport coach and volunteer.

I am standing for Council because I believe all the services that Council provides are essential and need to be maintained. In the current social environment we need to actively foster community engagement. Support community organisations who provide services that encourage physical activity, social engagement and creativity through utilisation of public facilities. Maintaining Council facilities and service to a high standard is paramount.

It is time to play a leading role encouraging greater public awareness of the importance of Community involvement and participation.
