

# Masterton District Council

## At Large

### Electing 5 Councillors

---

## Edwin PERRY

To whom this may concern,  
I have 4 girls, aged from 11 to 35 and I am very proud to be their father.

I come from a farming back ground in Tinui and in the last 35 years I have been in sales and marketing in Australia, Hawaii, Vietnam and NZ.

I have been a former Member of Parliament and current Masterton District Councillor.

I would push to BAN Gang Patches that intimidate the community.

Ban any more pokie machines into the community,

Review the liquor licences laws,

We should promote that council look at purchasing admin or any resources from local business IE, BUY LOCAL.

The Irrigation scheme within the Wairarapa Basin should be supported and implemented.

I look forward to your support for a further term as a Councillor.
