

Masterton District Council
Urban Ward
Electing 4 Councillors

Jonathan HOOKER

Hello, I'm 55 years old, very happily married to Margaret for 32 years with four grown up children. Born and raised in Masterton I have been serving this community for over 30 years – firstly in the NZ Police, then as founder of the Oasis Trust and Church. In 2007 I took the plunge becoming a self employed project manager and event organiser. I'm currently the owner manager of our family owned garage in Masterton. I am a committed Christian with a passion to see this community continue to thrive, grow and be a safe place for all ages. I am committed to provide the service everyone expects and deserves through strong leadership, integrity and honesty. I have been chair of the Hearings Committee and International Relations Committee, serving on the Community Development Task Group and Maori Liaison Task Group. I look forward to continuing to serve you on Council.
