

Masterton District Council

At Large

Electing 5 Councillors

Pip HANNON

Born and educated in Masterton, I spent several years travelling and working overseas. Since returning to the Wairarapa I have owned and operated two successful businesses, Riversdale Beach Store and Cafe Strada, and served on the Go Wairarapa Board, gaining valuable experience in management and governance. With my partner Craig, we have established a home in Masterton with our two young children.

I believe our district needs more diversity in people representing the different groups in our community. With my passionate interest in Masterton's future well-being and fresh approach, I can help achieve this.

I am keen to resolve long-standing issues facing the Council. I am open-minded and committed and want to be part of the team that achieves results for you.

My goal is to work with a functional Council moving towards a better future for ALL people in our region.
