Tena Koutou. Masterton born and Gladstone bred. I've spent most of my life here, working this beautiful land. We need to keep it green, clean and safe for the benefit and enjoyment of future generations.

I have spent the majority of my working years involved in the building trade, especially as a crane driver. I am in touch with the needs and concerns of

the people.

I have a firm belief in the goodness and hardiness of the people of this area and desire to protect your rights.

I offer you a man you can trust to get the job done. I'm always available and interested in your needs and aspirations. You can always depend on me to give you a lift.

No reira, e nga iwi, e nga marae, kia kaha tonu ki te tiaki o tatou nei taonga, ko Papatuanuku, ko Ranginui, ko Tangaroa me nga atua katoa.
