The Register of Pecuniary Interests

This Register of Pecuniary Interests (the Register) is published pursuant to Section 54A of the Local Government Act (the Act).

The Act requires Masterton District Council to publish a summary of elected members' financial, business and personal interests including certain assets, financial and business associations and gifts they have received annually. Elected members are provided a declaration form to complete annually, once returned to Council officers a summary of the information is collated and published on our website. This Register summarises the information provided by elected members' in their annual declarations in relation to the requirements of the Act which includes the following:

1. Company directorship or holding or controlling more than 10% of voting rights in a company (section 54E(1)(a));
2. Interests (such as shares and bonds) in companies or business entities (sections 54E(1)(b) and (2));
3. Employment (section 54E(1)(c));
4. Beneficial Interests in trusts (section 54E(1)(d));
5. Organisations and trusts that the individual is a member of the governing body or trustee of and that organisation receives or has applied to receive Council funding (section 54E(1)(e));
6. Organisations appointed to by virtue of being an MDC Elected Member (section 54E(1)(f));
7. Interests in Real property (section 54E(1)(g) and (1)(h));
8. Overseas travel (section 54F(1)(a));
9. Gifts over \$500 (section 54F(1)(b));
10. Payments for activities (section 54F(1)(c)).

The summaries are a snapshot of individual members interests for the previous 12 months.

In addition to this Register, Council also maintains a separate Declaration of Interests Register which includes interests required to be declared under the Local Authorities (Members Interests) Act 1968 and any other relevant non-pecuniary interests (including the spouse of the elected member).

During Council or committee meetings members make declarations of any interests or conflicts arising out of items on an agenda, which are either recorded in the registers referred to above or which have arisen subsequently. These are recorded in the minutes of the meeting.
