Good morning Helen,

As requested at item #6 of Minute #4 of the Independent Hearing Commissioner in the matter of the application for resource consent for the demolition of the Masterton Town Hall located at 64 Chapel Street, Masterton, I confirm that the conclusions reached in the WSP Heritage Effects Assessment (Revision 2) dated 28 November 2024, authored by Alex Vakhrousheva and reviewed by me, represent my expert opinion.

Kind regards,

**Chessa Stevens**
